

## Who we are

The Air Charter Association of North America (ACANA) is a nonprofit organization comprising the finest companies in the air charter service industry. The stringent membership requirements of ACANA ensure that our members adhere to the highest standards of ethics, integrity, and professionalism.

Our members are the most well established organizations in the marketplace and have earned the respect of clients as well as peers. With combined annual revenues in the hundreds of millions, ACANA is a significant presence in the air charter market. This translates into buying power and better service for our clients.

Providing a benchmark for excellence and professionalism for consumers is the purpose of our organization. Consumers of charter services should always verify that their charter operator or broker is a company that is financially stable, adheres to all FAA and DOT regulations, and considers safety and service to be paramount.

## Is your charter company a member?

Aviation is an industry that demands high standards and flawless execution in every aspect and every detail. The high standards of ACANA ensure that your air charter needs are being managed by a professional organization that meets industry-leading best practices and standards.

Our Membership in ACANA gives our clients peace of mind knowing that their charter partner meets the high standards of the only organization of its kind. ACANA members operate with integrity and are guided by the industry best practices that the organization is synonymous with.
